

ENVIRONMENT POLICY

G&O Australia

LDC's Storage and Handling business provides services to growers and marketers in pursuit of its prime goal of supporting Australian Grain Growers and their communities. LDC is committed to undertaking its business in a manner that complies with environmental laws and causes minimal disruption, risk or disturbance to the environment.

LDC's aim is to minimise environmental impacts concerning our activities, and promoting the responsible and sustainable use of resources, through our commitment to the following objectives:

- Comply with applicable legislation and regulatory requirements which relate to LDC's environmental aspects
- Include the consideration of environmental issues in business strategies and initiatives
- Minimise pollution, reduce waste and minimise the consumption of resources
- Provide awareness and encourage employees to carry out tasks in an environmentally responsible manner and ensure continuous improvement

LDC will implement this policy by maintaining an Environmental Management System with regular internal and external audits of the system. The above objectives are reviewed and updated through the ISO 14001 Environmental Committee.

LDC G&O Australia Managing Director, the Executive Leadership Team and all levels of management are responsible for implementing the Environmental Policy.
